

September 18, 2008 10 am - 4 pm EST

***FREE Indiana Brownfields Program/U.S. EPA Workshop -
program updates and assistance for preparing U.S.EPA grant
proposals***

Indiana Government Center South, Conference Room 19,
Indianapolis, IN

The workshop is free, but registration is recommended. Email Susan Tynes Harrington at sharrington@ifa.IN.gov or 317-233-1504 with your intentions and contact information.

There will be something for everyone to learn – those new to the world of brownfields and those seasoned stakeholders. Even if you've applied for state and/or federal funding in the past, come learn about important changes!

Tentative Agenda:

- Brownfield Basics
- State Tools & Program Updates
- Federal Tools & U.S. EPA Grant Proposal Updates
- State Support Letters
- Grant Writing Tips
- Strategic Visioning and Planning

Presentations by:

- Indiana Brownfields Program
- U.S. EPA Region 5
- Technical Assistance to Brownfields, Kansas State University, Center for Hazardous Substance Research
- Engaging Solutions, LLC
